

1.3 **Anyone** _____: There are rumors that Darrin's construction company does well because they put lots of Styrofoam blocks in the foundation molds so they don't have to pour as much concrete. It passed inspection, perhaps because Darrin and the inspector were such good friends.

1.18 **Anyone** _____: Darrin thinks that everyone who lives in New York is evil and that because his son had been evil in his eyes by getting the anti-war tattoo, that's where he belongs.

2.15 **Anyone** _____ (*except Fitz*): **Fitz** – I saw you looking very angry a few months back at the hardware store where you work. You were speaking with Darrin about a shipment of steel girders that he was refusing to pay for.

2.28 **Pierre**: *If someone asks you about an award, say:* Yes. It was an award for the best-designed block of condos. I had to pay the submission fee myself, because Darrin wouldn't even though it was for his building. He's never even complemented me on it, although his sales people now use it as a selling point.

3.9 **Anyone** _____ (*except Dr. Babs*): **Dr. Babs** – just before the parade, I saw you putting a bunch of bandages into the bag you were carrying during the parade. Were you going to use those to tie Darrin up?
