

During these acts, you must reveal the following points:

## Act One

- 1 *(after Amanda says about her shoes)* And the ones you ended up buying match your dress better dear. Doesn't she look beautiful?
- 2 I don't think Melissa would take steroids. She was always criticizing me for the few tiny cosmetic enhancements that I've had. She said it was cheating.
- 3 *(after Harvey says Melissa's phone log showed she'd called Baresh)* Is there something you want to tell us Baresh? Some men your age fancy themselves as being attractive to young women, but it's normally just all in their head.
- 4 *(say to Kade)* I noticed you had a non-disclosure document Kade and I saw Melissa's name on it. What was that all about?
- 5 *(say to Peoni after Baresh asks if she helped Kade with the drone)* Yeah. I heard you were furious when Melissa beat you in the marathon. You'd won it for two years straight before that and you didn't like having the title taken away from you.
- 6 When Kade was a kid he used to fly a remote controlled model aircraft.

## Act Two

- 1 The theme for this year's prom is "Life's A Ball". That's why the room was decorated with lots of balls. It also tied in with the fact that the school's basketball team won the finals this year. The kids did a great job decorating the hall yesterday. The social committee was in charge. A few us of teachers were there helping too. But I wasn't much help. I'm a klutz when it comes to making things. But I noticed Jiles was great at it.
- 2 Apparently someone had seen Melissa's valedictorian graduation speech and in it she thanked her teachers for inspiring her to not only work hard on her studies but also to pursue her entrepreneurial endeavors – one of which she has received business angel funding for. Kade had also given Harvey a copy of his proposal and asked for his feedback. He had also signed a non-disclosure agreement.
- 3 *(after Amanda says you would only let her eat salad)* Well most girls don't want to eat anything anyway on prom night. They are afraid to mess up their prom dress. Peoni told me that she noticed Melissa wouldn't eat anything. You don't want to overeat and become obese like so many are these days, do you dear? I only make rules that I think will help you in the long run.
- 4 *(after Amanda Melissa and Harvey hogged the prettiest places for photos)* Yes. That was so unfair. I told Melissa she should let others take a turn and she said she doesn't need to be my teacher's pet any more because school's over. She told me in words I won't repeat, to go away.
- 5 Billi-Jean has always had a crush on Harvey.

## Act Three

- 1 During the school excursion to the Mall of America in Minneapolis, Harvey was really annoyed with Melissa because she wouldn't go on any of the rides. She said she didn't want to get her hair messed up.
- 2 *(after Baresh says you had to keep an eye on everyone)* Yes. It was a bit stressful. I wanted to just watch Amanda and Jiles dancing, but I had to keep an eye on everything. Obviously I didn't do too good a job at that or I would have seen the drone heading Melissa's way.
- 3 I was on stage and about to present Melissa with her crown when everyone upped and left because of the drone attack. It was rather surreal. Baresh I noticed that when Melissa's name was announced as the prom queen, you didn't clap. Maybe you felt you were the jilted lover, whose time had come to take revenge.
- 4 *(after Baresh says Amanda shouldn't post her photos)* Yes dear. You don't want people to think you're malicious or vindictive towards Melissa. You don't want to damage your reputation.
