

Activity No. 2: The second letter.

A black and white illustration of a cow standing next to a wooden fence. The cow is facing right, looking towards the viewer. It has a dark coat with white patches, particularly on its face and legs. The fence is made of vertical wooden posts and horizontal rails. The background is plain white.

A close-up photograph of a dense, tangled mass of light brown, fibrous roots. The roots are thick and gnarled, with many smaller, thinner roots branching off. The texture appears rough and fibrous. The background is blurred, showing some green foliage and a hint of a building.
